

## Company profile

### History

We have been translating and interpreting for you for more than 15 years.

The company Aspina was established in the Czech Republic in 1995.

### Stability

For years now we have been amassing priceless experience, which means we can continuously adapt our services to meet the needs of customers.

Over the course of our existence we have created the background facilities and support that enable us to be your reliable and stable partner.

### Policy

Customer requirements and satisfaction are the essential criteria for determining the quality of our services.

A fundamental principle of the company is to provide customers as much space as they need to communicate their needs, requirements and expectations.

The company is committed to constantly monitoring market developments and to adapt its services to current requirements.

### Aim

The company takes care to ensure that improving internal processes and systematic management lead to financial growth. The core principle is to be a profitable organisation and thereby create the means for acquiring new customers and increasing our business potential.

### Quality

To ensure we are the best partner for customers, our company focuses on the quality of all its processes and we are able to guarantee and offer HIGHER STANDARDS in everything we do.
